

## Characters in *The Great Gatsby* Chapter 2

Fill in the chart below, rereading portions of the chapter as necessary for details. In the first column are the characters' names. In the second column, write adjectives and other words that describe the characters' traits and values. In the third column, write specific evidence from the text that supports your view.

Tom		
Myrtle		
Mr. Wilson (George)		
Nick		
Catherine		
Gatsby		
Mr. McKee		

Next to each character's name in the chart, mark which social class they belong to: U (upper class/wealthy) or M (middle class). How do you know? What inferences can you make about Fitzgerald's portrayal of the different social classes in this chapter?

Which character is most fully characterized? Why?

Which character is least characterized? Why?
